

CHRISTO FLASH

Vol-VII Issue-4

MARCH 2018

PRINCIPAL'S DESK

As our academic year draws to a close we have many happy memories to celebrate and to be grateful for. We owe to many people for the beautiful time of this academic year.

I thank God Almighty for 2017-2018; the wonderful academic year that brought

in lots of newness and ventures.

A special word of thanks to the parents who have contributed in ways small, large and unimaginable. We owe you for helping your kids in the learning process; the partnership between home and school is important. Thank you dear parents for being a part of this wonderful school in 2017-2018.

I would like to thank our hardworking and caring Members of the staff who have made a remarkable difference in the academic life of our students. Their commitment is outstanding and our students have benefitted immensely. Thank you friends for providing our students with rich, engaging and well-rounded experiences for you were aware of the fact that education is about joy, wonder and fostering curiosity along with the development of social skills so needed to succeed.

My sincere appreciation to all my students in Christ who have stepped into the higher classes proving your calibre in academic life. All the best to you dear students in your learning process.

A word of thanks to the members of the staff outside the class room for your contribution to the growth of Christites. Wishing all of you God's blessings.

I look forward to seeing all of you in April. Until then united in prayer I remain.....

Sr. Jancy Varghese
Principal

CHRIST SCHOOL BHOPAL

EDITORIAL

“School bells are ringing loud and clear; vacation is over, school is here.

The school is a place of learning for a child. It is a training ground. Life is full of new events. Going to a school for the new academic has always been an amusement in a child's life.

It is with great pleasure that we extend our warmest welcome and wishes for the beginning of the new academic year 2018-2019. Let this academic year be for you a year of setting and reaching attainable goals, working harder and smarter and taking the school to the next level of “GREATNESS”.

We hope that the gains that we have made in the past, especially the human relations that we have developed will be the investments for the future. This year, we look forward to encountering a highly intensive and challenging academic programme that will push us to work beyond our limits.

The Christ family, take this opportunity to greet all the students, parents, teachers, and administrative staff for this aura of optimism and euphoria that prevail on the campus.

Last but not least, on behalf of the editorial committee, we wish all of you the best of luck for the new academic year where **SUCCESS IS NOT AN OPTION BUT AN EXPECTATION**. We are truly on the path to **GREATNESS**.

COUNSELLOR SPEAKS...

5 easy steps to be happy:

- **Smile –** When you smile, it makes you feel good and it makes those around you feel good and happy.
- **Love -** Love is so strong that it can win over any negativity. Love everything that you do and enjoy it to the fullest. Spread love to everyone you meet and this will help you bring the best out of everyone else. When you give love, you get love as well.
- **Be Nice to People, Respect Others:** Everyone feels good when someone talks to you with a smile, when people are being kind and understanding, when they say please, sorry and thank you. Hence it is very important for you to practice this in your life. Out of all the things you can do, being kind will always carry you the farthest.
- **Work Hard-** Hard work is the only way through which you can be successful. Put away laziness, set a goal and work hard till you achieve it. Staying planned and focused will help you achieve your goals and dreams.
- **Prayer-** Prayer is a form of meditation. Just like how your body needs exercise, mind needs exercise too. Meditation and prayer are the best exercise for the mind and this has to be practiced everyday for better mental health.

Mrs. Breeze Tripathi

GRANDPARENTS' DAY

Grandparents are special to every child. Their bed-time stories are integral part of their growing up years. They are the wise and experienced one we turn to, in times of trouble. Their knowledge is invaluable and their love unconditional. Acknowledging their role in our lives we at Christ school celebrated Grandparents' day.

Tiny tots in colourful attires, dressed up as trees, flowers and fruits were all excited to perform in front of their grandparents. They tapped their feet to the Rainbow Dance and danced to various tunes. Dramas unfolded the little ones' love for their grandparents. Mr. Khan an overjoyed grandfather said, "I feel proud to see my grandchild performing on the stage. It is a nice feeling to see the school inculcating such values in our students the LKG itself." Others too lauded the school's effort. Another grandparent said: "The school is doing a great job of reviving moral values in our society. These days, children often don't respect or have time for the elderly; they go about doing their own work. I am happy that my grandchild is learning to value us."

The school's decision to celebrate Grandparents' Day is expected to bring about a positive change in the outlook of the present generation.

ONE DAY PICNIC

The school organised a one- day picnic for classes I to V on December to Dronachal, Bhopal. Dronachal is an amazing tourist place near the airport. Different types of guns, tanks, fighter planes and riffles used by Indian army were displayed there.

On Friday the morning, school buses packed with students and teachers left Dronachal. The students were extremely excited to reach the destination. All of them kept singing songs in the buses. As soon as they reached Dronachal they were divided into 4 groups. Each group was accompanied by a soldier to guide them. The place gave students an experience of army life. They were very amused to see various kinds of armoury. A 10- minute movie on Indian army was an inspiring and thrilling experience for them. After having lunch together, we started our journey back to school. Everyone had a big smile on their faces indicating that they had great fun.

Similarly a one- day trip for Kindergarten was organised on 2 February 2018 to the Children's Park at BHEL, Bhopal. It was a fun- filled experience with lots of enjoyment and frolic. Children's park gave an experience of being surrounded by greenery and beauty of nature. The little champs were excited and shook their legs to the thumping dance which played near the pool. Indeed it was a great day. The entire exercise strengthened the bond between the students and their teachers.

DIRECTOR'S DAY

“Every birthday is a celebration of life”. On 30 January 2018, we the Christites celebrated our dearest Fr. Mathew's birthday with lots of fanfare in the school. The teachers and students were very excited to celebrate their Director's birthday. The whole school was decorated by the staff and students together and they created an ambience of celebration. The presence of Fr. Peter, our Manager, Fr. John and Fr. Joji added colour to the day. The day began with a beautiful prayer dance. It was a delightful moment for our director to cut his birthday cake with the Christ family. Students from every class presented their special performances to express their love for Fr. Mathew. A sapling gifted to him by each class reminded the school of celebration of life in abundance by preserving the nature.

The traditional dance by the non-teaching staff was an amazing experience for the whole family. The teachers created an ambience of South Indian seashore through their enthralling performance.

The Birthday Babe, in his message, focused on growing each day with new experience in life. Sr Jancy, our Principal who organized and coordinated the entire programme expressed her gratitude to the whole Christ family at the end of the programme. A special prayer session was held in the honour of Fr. Mathew. We prayed that God might shower his blessings on him and we thanked God for the gift of the able and dynamic Director. The entire family shared the delicious lunch. The management, staff and students wished Fr. Mathew exhilarating years ahead.

REPUBLIC DAY

Celebrating the Legacy, - Heralding the future

We celebrate the 'Republic Day' as the Constitution of India came in to force on 26 January 1950. Like every year, this year also we the Christites celebrated the 69th 'Republic Day'. The teachers and students enthusiastically gathered to hoist the National Flag. Rev. Fr. Peter, our Manager hoisted the National Flag and received the salute by the students in March Past. After that, he gave his inspiring and valuable message. The students put up various programmes like pyramid formation and play on freedom fighters to show their love and dedication towards the nation. The celebration was concluded with the message on the importance of 'Republic Day'.

COLOURS DAY

Our world is filled with colours. A little splash of colour can brighten up your day and when it is Colours Day in Christ School the day is truly kaleidoscopic. The entire curriculum is planned to enable the children to experiment with a wide range of activities. It was an excellent learning experience for children, which enhanced their perception of the visual world around them.

THEMATIC DAY

The students of standard class Ist celebrated the thematic day with great enthusiasm. The objective of this event was to promote creativity and awareness among the students. They were dressed up in various costumes as per the theme assigned to them. They made their presentation on various topics like Child Labour, Unity in Diversity, Save Girl Child, and Save Water. All the students contributed toward spreading awareness among themselves by their dances, songs, speeches and action songs. It was a grant success and delectable event to be remembered always.

PROFICIENCY AWARDS

“Opportunity comes to those who quit waiting and start looking, Success comes to those who quit thinking and start doing. Congratulations for looking and doing.”

On the occasion of Grand Parents day the Rank holders of last academic year 2016-2017 were awarded with trophies and certificates .

ROBOTICS

Robotics Activity was initiated in our school in July 2017. Students showed interest in making Robots and many other objects of higher utility like cars, buildings, cranes, etc. They learned to assemble the parts of robots and learned how to operate them. The students of class V participated in the Inter School Robotics Competition. There, they assembled four robots with the help of the Robotics Kit. CONGRATULATIONS TO OUR DEAR STUDENTS FOR YOUR WONDERFUL PERFORMANCE!!!

KARATE BELT TEST

We conducted a Karate Belt Test on the campus. About 61 students passed the test and all were awarded with Karate Belt, Merit Certificates and the toppers received the gold, silver and bronze medals by Rev. Fr. Mathew, Director of Christ School and Rev. Sr. Jancy Varghese, Principal. The students stood in attention and demonstrated of defence in ability to make low and high blocks and other aspects of the martial art, depending on their skill level and capability. The test itself was an important achievement.
